Re: Support of Docket 98P-0151/CP1

Dear Sir/Madam,

I am writing to express my support of **Docket 98P-0151/CP1** to completely prohibit the slaughter of "downed animals" in the livestock industry.

All animals should be treated humanely. Preventing the injuries that cause downed animals in the first place should be a priority.

Please submit my statement of support to the appropriate office/section.

Thank you,
